Dear Friends of Purusha,

In appreciation of your friendship and support, please find enclosed our 2023 Purusha calendar. It is through the generous support of our dear friends and donors that we are able to maintain our beautiful homes in West Virginia and Uttarkashi and to support all of the members of the PurushaSM program around the world. Our Purusha campuses are an oasis of peace and coherence in the world, which is greatly needed during this time of transition in world consciousness.

Also enclosed is our 2023 course schedule. We resumed courses in June after a two-year hiatus and had close to 20 course participants on each of our June and October World Peace Assemblies, and we expect to have a full house for our Silence WPA. We also held two MIU Forest Academy/WPAs, two meditator retreat courses, and courses and programs for the NextGen PurushaSM program, including academic courses for MIU students. We will be offering all of these again in 2023. Dr. Neil Paterson will be leading the February Forest Academy and we are expecting to hold a special in depth TM-Sidhi[®] Program Refresher Course at the beginning of the October WPA, to be led by Dr. Doug Birx. See the enclosed 2023 Course Schedule for more details.

There is growing interest among younger people from MIU, the Fairfield community, and elsewhere, to come to the Purusha CapitalSM and participate in our educational programs and enjoy rapid growth towards enlightenment. In addition to young people joining the NextGen Purusha program, we invite Sidhas and Governors of all ages to join the Maharishi Purusha

ProgramSM. We offer Taste of Purusha courses for people of all ages who would like a taste of what it is like to be on Purusha. So whether one is young, middle-aged, or retired, we have something to offer for everyone. Please see the nextgenpurusha.org, purushacourses.org and purusha.org websites for more details.

In addition to resuming courses again, we redesigned our

purushacourses.org website and paved the entirety of our entrance road as well as the Dining Hall parking lot, and our greenhouse, orchard, and berry patches have continued to produce delicious fruits and vegetables.

Thank you again for your support in helping us create greater coherence for the world through our programs and activities. If you aren't currently a donor and would like to donate, or if you would like to increase your donation or make an additional one time donation, please visit purusha.org/donate.

We wish you and your family and friends good health, happiness and enlightenment in the coming year.

Jai Guru Dev
