

Dr. Tony Nader, M.D., Ph.D.

“The transcendental level of consciousness is that level from where total Natural Law promotes life, maintains life, and maintains order in the infinite diversity of the galactic universe.” — Maharishi, 20 July 2005 Press Conference

“Few people have any idea what they are missing. Few have any concept of how blissfully fulfilling life becomes as the larger and deeper experience of Consciousness dawns, transforming our lives, transforming the world, simply by awakening to the ever-present yet somehow hidden reality.”

— Dr. Tony Nader, from his book: CONSCIOUSNESS IS ALL THERE IS
